

Hello Neighbours!

*From 3030 Gordon Ave
RainCity's Emergency Shelter
& Transitional Housing*

For several years this community has known the importance of ending homelessness, and has been working tirelessly towards this goal. This November, RainCity Housing's project at 3030 Gordon Avenue in Coquitlam will open its doors, providing shelter and housing to homeless folks with a history in the Tri-Cities, and building on the incredible work this community has already accomplished.

A community is strongest when it's built on healthy relationships. We're reaching out so you can get to know us and feel comfortable contacting us with questions, ideas, and knowledge about your community! The only way we can truly end homelessness is to work together, so we look forward to working with residents, local service providers and volunteers, and creating a home for every person.

Do you want to find out more about this project and stay in the loop?

- To receive regular updates about this project, both before and after it opens, contact Bill Briscall either by email or phone and he'll put you on the email list.
- If you would like to become a member of the Community Advisory Committee, you can also contact Bill and he'll let you know about the next steps.

bbriscall@raincityhousing.org or 604.671.2169

We're very excited about becoming your new neighbours, and are looking forward to working with the resources, service providers and volunteers already doing amazing work in the Tri-Cities! Visit us at raincityhousing.org
